What is Mission Central?

Mission Central is the mission warehouse of the Susquehanna Conference of the United Methodist Church. Since its beginning in 2002, Mission Central has had 3 points of focus: Disaster Response, Mission Outreach and Mission Education.

Mission Central's goal is to connect God's resources with human need. We have been able to assist people locally, nationally and globally and have provided aid to people in need for every major weather disaster since 2002. Did you know that your support helped Mission Central send more than \$1.3 million in resources to hurricane affected areas in 2017?

What are the proceeds used for?

The run is being held to help with Mission Central's daily expenses. Mission Central moved nearly \$8 million in resources through our warehouse in 2017. We reached over 4.1 million people and 63% of our warehouse output remained in Pennsylvania!
